

SEMDSA Call for Presenting Companies

Are you a medical device firm seeking initial or subsequent stages of venture capital, or do you know of a company that is? The Southeastern Medical Device Association (SEMDSA) is now accepting applications to present to VCs, angel investors and corporations at our 4th conference. Despite the tough economy, investor interest in the medical device field remains strong.

The application deadline is **January 22, 2010**. Companies will be notified in February 2010. [Apply today](#). Simply submit a **business plan** that summarizes your company's strengths, market need, business model and management team. You must meet the following criteria:

Located in the Southeast, Involved in the medical device field, Seeking capital

If your company is chosen as a presenting company, your presentation for the conference book needs to be submitted in electronic form by March 8, 2010. The SEMDSA team will be conducting a dry run practice session on March 24 which is a great opportunity to enhance your presentation for increased funding opportunities.

Thursday, March 25, 2010

8:00am - 5:00pm

Georgia Aquarium

225 Baker Street, Atlanta, GA 30313

Why Apply to Present?

- **Medical Device Focus** – companies will present to VCs, angels and companies specifically focused on medical devices.
- **Attendance** – SEMDSA's annual conferences have become known as the premier regional gathering for the medical device industry
- **Affordable** – no charge to apply and just \$750 if you are chosen, which includes two conference admissions.
- **Marketing** – all presenting companies will be promoted on the website, in e-mails and press releases and in print materials, including the conference guide.
- **Networking** – Multiple opportunities to network with investors, researchers, medical device companies and industry professionals.
- **Education** – When not attending presentations, attendees can take part in workshops geared towards the needs of medical device companies.

In 2010 we are adding a special session for very early stage companies, as well as showcases for early-to-mid stage companies and those seeking add-on funding opportunities.
